LS- A flash of lightning lights-up a cloudy night sky.

(sound effects- thunder and rain)

Wide angle of heavy rain scene. The camera slowly pans the outer edge of a manicured lawn as rain dances on a portion of sidewalk in the foreground. A home with a lighted porch can be seen in the background. Within the foreground, a sprinkler head pops-up to water the lawn.

NARRATOR:

DO YOU KNOW WHAT YOUR SPRINKLERS

HAVE BEEN UP To..? (sound effects- rain continues with sprinkler effect)

CU of automatic timer with its amber running light on. A hand enters the frame and turns the timer off.

This scene squeezes back into a mortice and the supers fade in.

SUPER: A message from the Department of Water Resources

Optional additional super:
May is Water Awareness Month
(along bottom of screen)

(fade to black)

NARRATOR:

CONSERVE WATER BY ADJUSTING YOUR

TIMER TO MATCH THE SEASON. (sprinkler effects out)

(rain effects out)
